# Thomas Powell '62 Fellowship in Electrical Power Engineering

**NOW ACCEPTING APPLICATIONS**

Made possible by a generous contribution by Thomas W. Powell '62, the Powell Fellowship is the highest recognition that a full-time, currently enrolled student can receive in the Electric Power Systems and Power Electronics group at Texas A&M Engineering.

## CATEGORIES

**Four to eight fellowships ranging in value between \$3,000 and \$10,000 for Ph.D. and M.S students**

## HOW TO APPLY

Submit a statement of objectives, academic transcript, CV and the name of your academic advisor via email to Alex Bello at [zandra23@ece.tamu.edu](mailto:zandra23@ece.tamu.edu). with the email subject line "Powell Fellowship"

**Application deadline: June 1, 2018**
